

SANE AMERICANISM URGED BY PASTOR

Father Pastorelli Views New Isms With Alarm—Flag Demobilized.

"Beware of radicalism in the form of socialism, Bolshevism and other kindred evils gnawing at Americanism," advised the Rev. James L. Pastorelli, in a stirring address delivered Sunday evening as part of the solemn religious and patriotic celebration arranged in commemoration of Washington's birthday at St. Peter's church.

At the same time the service flag of 47 silver and three gold stars as well as the American flag draped around the immense crucifix were demobilized, to be retained as lasting memories of the devotion and patriotism of the boys of the parish.

Long before the appointed time the church was taxed to its capacity by the great crowd that ever attended a religious ceremony in this edifice, and standing room in the side aisles and in the rear of the church was at a premium.

The religious services consisted of the chanting of the vespers and the benediction of the Most Blessed Sacrament.

The pastor then delivered his inspiring address upon "The Dogma of Patriotism and the Heresy of International Communism" in which Washington was lauded and high tribute was paid the Americanism of Lincoln and Roosevelt.

Capt. Egan, U. S. marine corps, before calling the roll, made a short speech in which he praised the work of the Catholic chaplains in various parts of the world. He further told of the reverence and esteem in which Father Pastorelli was held by members of the corps, Father Pastorelli having served through the war with them.

Capt. Frank H. Strickland answered "present or accounted for" in response to the names, except in three instances, when "killed in action" was the reply. The three who held the supreme sacrifice were William Hayes, Paul Bradford and James Brannon.

His honor, the mayor, and other city officials were present as well as representatives of every patriotic organization in the city. Special place was also reserved for the mothers of our service men and for 20 members of the fourth degree assembly, Knights of Columbus.

Music was provided for the occasion under the direction of Joseph Walton. The choir was augmented by the Corses brothers and the processional and recessional were chanted by the boys' sanctuary choir.

FORMER MEMPHIAN GETS FINE PROMOTION WITH RAILROAD

R. M. DOZIER

The promotion of R. M. Dozier to assistant freight traffic manager of the Missouri Pacific railroad with headquarters at Chicago came as a complete surprise to Mr. Dozier.

Only a few weeks ago he was appointed general freight agent for the Missouri Pacific at Kansas City, effective upon the termination of his service with the federal railroad administration at Washington, as assistant to Edward Chambers, director of traffic. The Kansas City appointment was a coveted berth, as railway positions go, and he was receiving congratulations from all sides upon his success in attaining such a desirable connection.

While in Memphis Saturday on his way to Kansas City to assume his new duties, he received a telegram announcing another promotion to assistant freight traffic manager at Chicago.

For seven or eight years Mr. Dozier was in charge of the Missouri Pacific commercial offices here, leaving Memphis as assistant general freight agent to enter the government service during the war.

Mr. Dozier was one of the most popular railway officials in the city and he carries with him the best wishes of a host of friends among the business and railway men of Memphis.

CANTATA "REBEKAH" DRAWS HUGE CROWD

Love of Memphians for sacred music was again well demonstrated Sunday afternoon when the Goodwyn Institute was crowded to capacity for the rendition by the choir of the Jewish temple of "Rebekah," a sacred cantata.

It was the seventh weekly sacred concert given under the auspices of the Chamber of Commerce and the Goodwyn Institute and the first since the lifting of the ban.

Mrs. Sam Oppenheimer conducted the cantata, which was opened by Rabbi V. H. Pinschler. Several selections preceded the rendition of the cantata, words for three of which numbers were written by John M. Dean. Assisting Mrs. Oppenheimer were Miss Gladys Coulter, Harry Kohn, Sam Hirsch, Walter Schuklen, violin; F. Paehrmann, A. T. Thore, cello, and A. Papulardo, bass.

Thirty-one members comprised the choir, which, according to many lovers in attendance, gave a concert both melodious and finished as to technique and beauty and dignity of recital.

BLACK BURGLAR GANG IN TOILS

With the placing on the police docket of the names of Abey Walton, negro, and three negro companions Monday morning, Detective Chief Gwaltney declared that one of the gangs of burglars who have been robbing Memphis residences has been broken up. Two charges of housebreaking and larceny were placed against Walton's name, and another serious charge is pending.

Walton, arrested Saturday night as he was leaving the residence of A. H. Page, 52 North Main street, confessed, police say, that he entered to rob the house. He also confessed to being the negro who two weeks ago took patrolman J. H. Huffman's pistol away from him, after Huffman had arrested him for having in his possession a quart of whiskey and two pistols. The negro hit Huffman in the jaw, took the policeman's weapon and one of his then, which the policeman had taken from him, and escaped.

Walton, who is 23, gave his residence as rear of 947 Poplar avenue. Emergency Policemen Pryde and McClanahan and Patrolmen Solomon and Kuehn, who arrested Walton Saturday night, explained their case against him to Detective Chief Gwaltney Sunday, with the result that Walton was questioned by the chief, and implicated three more negroes in several residence burglaries.

Police Sergeants Adams and Cleary, with Detectives Long and Carpenter, soon after rounded up the negroes named by Walton. As a result, Sam Gaston, 23, driver, rear 349 Union avenue, faces a charge of housebreaking and larceny. Joe Thompson, 21, laborer, 691 Austin, is charged with a similar offense, while Arthur Harris, 30, candy maker, 340 Gayoso, is charged with larceny and receiving stolen property. The charge against Harris is that Walton sold him

TORTURED TEXAS WOMAN WRITES

Standing On Her Feet Torture to This Lady—Had to Ride Everywhere She Went, Until Cardui Brought Relief.

McKinney, Texas—Mrs. A. B. Stovall, of this place, writes: "Some time ago I was in a critical condition. We only lived two squares from town, yet I wasn't able to walk the two squares.

I had to ride everywhere I went and suffered at that, but not so much as when I tried to walk. Standing on my feet was torture.

My greatest suffering was in my right side. It was so sore and I felt if I stepped down or jarred myself the least bit I could not stand it—so just walked mostly tiptoe. This kept up until I was just about discouraged and decided I had best try something else.

Someone told me of Cardui, and where I had benefited cases similar to mine. I felt at least it would not hurt to give it a trial.

After my first bottle I felt better—there was less pain and soreness in my side.

After my third bottle of Cardui I was well and have been ever since."

Cardui may be just what you need. Try it.

What Causes Indigestion

An excess of acid in the stomach causes food and acids fermentation. Distressing gases form. Your meals don't digest but lay like lumps of lead. Then you have heartburn, flatulence, fullness, belching, headache, and real misery in the stomach and intestines.

A few tablets of "Pape's Diaphepsin" bring relief almost as soon as they reach the stomach. "Pape's Diaphepsin" costs little at drug stores.
